

## **Vibration Fence Perimeter Alarm System DP200T with Fence Wall Mount RS-485 Data Communication and -55 to +85 Operating Temperature**

## ***Basic Information***

- Place of Origin: China
- Brand Name: MYT
- Certification: CNAS、CMA、CAL、ILAC-MRA
- Model Number: DP200T
- Minimum Order Quantity: 1
- Price: Pricing is negotiable based on order quantity
- Delivery Time: 10 work days
- Payment Terms: TT,LC
- Supply Ability: 1000units per month

## ***Product Specification***

- Installation Method: Fence Wall Mount
- Data Communication: RS-485
- Operating Temperature: -55 To +85
- Operating Voltage: 12V DC
- Highlight: **vibration fence perimeter alarm system, fence perimeter alarm system smart, vibration perimeter fence alarm system**

### Product Description

#### Vibration Fence Perimeter Alarm System Smart Microwave Radar Early Warning DP200T

The Intelligent Perimeter Defense System DP200 is a comprehensive security solution designed for closed management and protection of fenced areas. It provides immediate alerts and warnings for perimeter intrusions including climbing attempts and fence damage, enabling timely response and prevention to ensure perimeter security.

#### System Components

##### DP200T Vibration Intrusion Detector

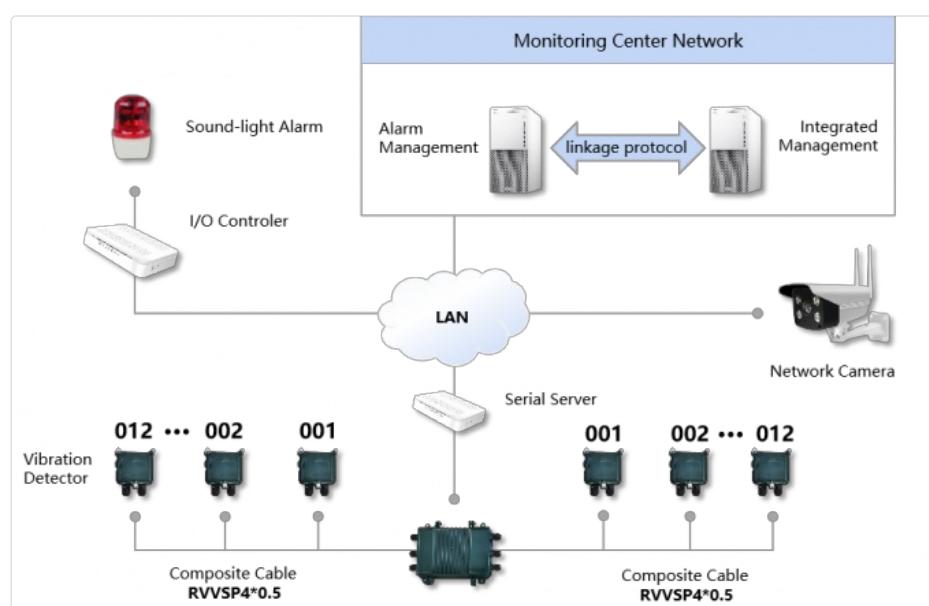

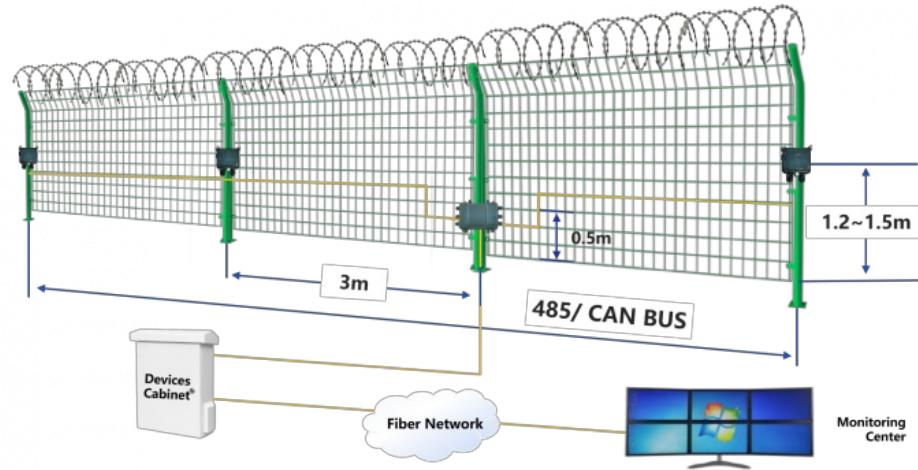

##### DP200Z Vibration Intrusion Detection Master Unit

## System Overview

The perimeter intrusion prevention system provides advanced technical measures for controlling and securing undisclosed management areas and perimeter zones.

## Management Platform

## Technical Specifications

### DP200T Vibration Intrusion Detector

Specification	Details	Status
Installation Method	Fence Wall Mount	●
Data Communication	RS-485	●
Operating Temperature	-55 to +85	●
Operating Voltage	12V DC	●
Operating Current	20mA	●

## After-Sales Service

Lifetime free model library upgrades

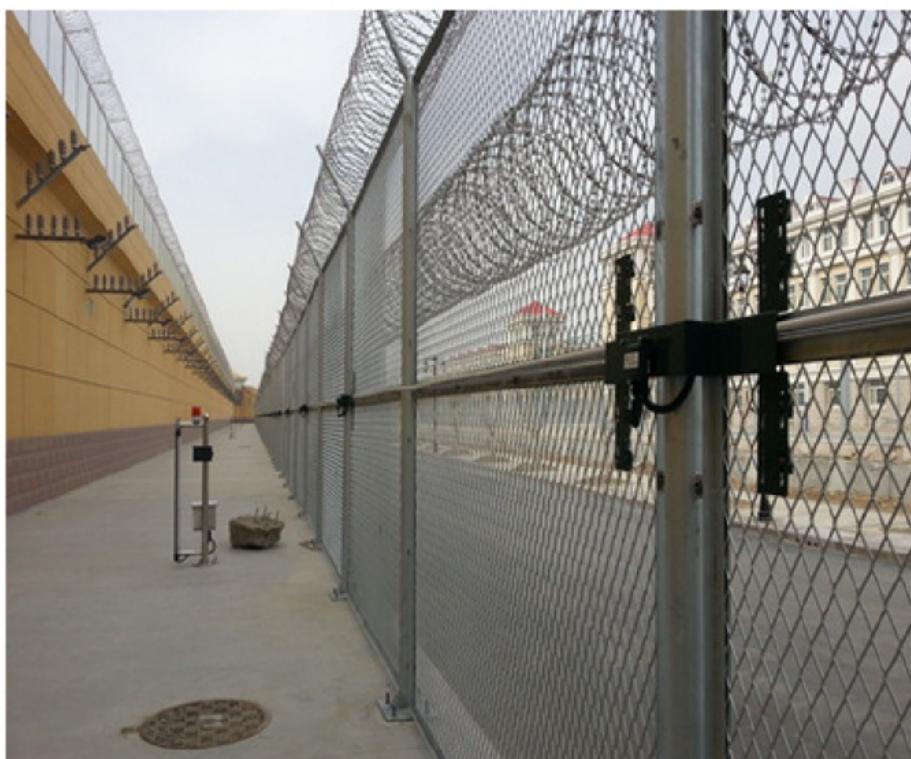

Professional 24/7 online technical support

Customizable colors and languages

## Partnership Portfolio

Our security products are engineered for diverse public safety scenarios and have established long-term customized product services for military

and public safety departments, earning an excellent reputation in practical operations.

## Packaging and Delivery

We support multiple logistics methods including shipping, air freight, water transport, and express delivery, covering 90% of global regions with reliable logistics solutions.

## CUSTOMER SERVICE

- \* Fast and patient communication: professional sales reply immediately
- \* Fast delivery: usually 2-7 days
- \* Flexible Safe shipping: fast by air or sea with cheap freight
- \* Customer-friendly: complete user manual and exact video training provided
- \* After sales service: one year warranty and life time technical support
