

## Portable Drone Jamming Gun Precise Targeting And Long Range Use In Event Security

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: MYT
- Model Number: DR300S
- Minimum Order Quantity: 1
- Packaging Details: 25mm\*25mm\*25mm, 2KG
- Delivery Time: 10-20Days
- Payment Terms: L/C, T/T
- Supply Ability: 1000units per month

#### Product Specification

- Highlight: portable drone jamming gun, drone jamming gun precise, portable drone jammer gun

## Product Description

### Portable Jamming Device

#### 1,Product Introduction

This portable jamming device is capable of effectively suppressing the remote control and video transmission frequencies of unauthorized drones, while also interfering with their navigation signals. This allows it to conveniently and rapidly jam intruding drones, with high aiming precision and long jamming range.

The key capabilities of this device include:

Jamming of drone remote control frequencies

Jamming of drone video transmission frequencies

Disruption of drone navigation signals

Precise targeting and long-range jamming, up to 500m

Suitability for use in event security, VIP protection, and other sensitive scenarios

By comprehensively disrupting the control, communication, and navigation functions of target drones, this portable jamming device provides an effective solution for securing sensitive airspaces against unauthorized intrusions by civilian unmanned aerial vehicles. Its combination of compact size, long-range jamming capabilities, and environmental resilience make it a valuable tool for a variety of security and public safety applications.

#### 2, Specification

Jammer Model 1	2400MHz~2500MHz, 45dBm, Jamming Control/Communication
Jammer Model 2	5700MHz~5900MHz, 43dBm, Jamming Control/Communication
Jammer Model 3	1550MHz~1625MHz, 37dBm, Jamming UAV Guidance
Jammer Model 4	840MHz ~ 850MHz
Jammer Model 5	915MHz ~ 928MHz
Jammer Model 6	1430MHz ~ 1440MHz
Jamming Range	> 1km
Power Supply	22V
Operating Time	60min
Battery Capacity	130Wh
Dimensions	860mm x 362mm x 110mm

#### 3, After-Sales service

Lifetime free model library upgrades, professional 24/7 online service, customizable colors and languages.
