Product Description

Anti Drone 10W Module Manufacturers Suppliers Wholesale Factory in stock China

1, Functional highlight

The 10W signal jammer module is suitable for the assembly-up of the finished product such as the portable brief case phone jammer, man pack or back pack mobile phone signal jammer, the VIP convoy trolley case signal jammer, the car load signal jammer, etc. Compare with the former 10W module, it is with a quite smaller size and higher out put power over 10W.
