

## Directional Drone Jammer Anti Drone System with 1000-3000m Jamming Range 360° Omnidirectional Jamming and 200-500W Output Power

### Our Product Introduction

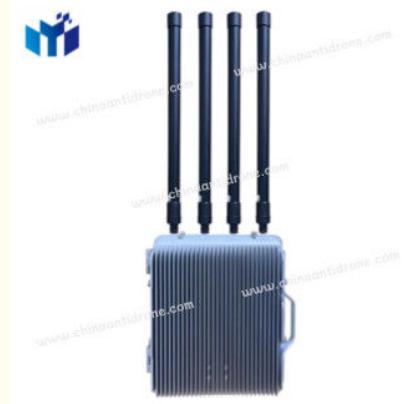

#### Basic Information

- Place of Origin: China
- Brand Name: MYT
- Certification: CNAS、CMA、CAL、ILAC-MRA
- Model Number: G4-G8
- Minimum Order Quantity: 1
- Price: Pricing is negotiable based on order quantity
- Delivery Time: 10 work days
- Payment Terms: TT,LC
- Supply Ability: 1000units per month

#### Product Specification

- Jamming Range: 1000-3000m
- Weight: 29kg
- Dimensions: 108\*43\*27 CM
- Frequency: 433MHz - 6GHz
- Highlight: directional drone detector, 29kg drone detector, 29kg directional drone jammer

## Product Description

### Directional Drone Jammer Stationary Anti Drone Countermeasure Equipment G4-G8

Advanced stationary drone jamming system providing comprehensive protection against unauthorized drone activities with powerful 360° coverage and multi-drone countermeasure capabilities.

#### Product Features

Comprehensive Defense: Capable of countering over 97% of drone models available on the market

Flexible Operation: 24-hour unattended autonomous operation

Powerful Strike: Output power up to 200-500W with 360° omnidirectional jamming

Efficient Multi-control: Capable of swiftly countering multiple drones simultaneously with extremely short response time

Integrated Precision: Highly integrated and unified equipment design

Excellent Expansion: Can be used independently or networked into drone control systems for remote operation

#### Technical Specifications

Power	200-500W
Frequency	433M - 6G
Coverage Angle	360°
Power Supply	AC220V
Dimensions	108 * 43 * 27 CM
Weight	28.58KG
Jamming Range	1000-3000m

#### Packaging and Delivery

Professional packaging ensures safe delivery of your drone jamming equipment.

## CUSTOMER SERVICE

- \* Fast and patient communication: professional sales reply immediately
- \* Fast delivery: usually 2-7 days
- \* Flexible Safe shipping: fast by air or sea with cheap freight
- \* Customer-friendly: complete user manual and exact video training provided
- \* After sales service: one year warranty and life time technical support
