

Anti UAV Radar with C Band Technology for Accurate Target Detection and Prompt Response to Abnormal Situations

Our Product Introduction

for more products please visit us on chinaantidrone.com

Basic Information

- Place of Origin: China
- Brand Name: MYT
- Model Number: 1500C
- Minimum Order Quantity: 1
- Price: Negotiable on Quantity
- Delivery Time: 30 work days
- Payment Terms: T/T
- Supply Ability: 1000units per month

Product Specification

- Effective Detection Range: 100m 1.2km
- Band: C
- Detection Speed: 0.5m/s 30m/s
- Pitch Accuracy: $\leq 1.0^\circ$
- Distance Accuracy: $\leq 8m$
- Weight: $\leq 5.5kg$
- Highlight: Accurate Target Detection Anti UAV Radar ,
C Band Anti UAV Radar ,
Abnormal Situations Anti UAV Radar

Product Description

Anti UAV Radar with C Band Technology for Accurate Target Detection and Prompt Response to Abnormal Situations

1, Product overview

The 1500C radar mainly consists of one radar array and one power adapter. It uses MIMO and DBF technology to effectively remove false alarm clutter. The product can accurately provide target trajectory information.

2, Functional highlight

1) Real time monitoring:

Monitor the surrounding environment, promptly detect and respond to abnormal situations

2) Strong fast target monitoring capability:

High data refresh rate, able to continuously and stably track targets for fast moving targets

3) Wide coverage:

It can cover large areas, and multiple radars can also be connected in series to further expand the monitoring range, achieving seamless supervision of border defense areas and nearshore and inland river areas

4) Easy to install:

Can be completed using lamp poles or original infrastructure

5) Strong adaptability to the environment:

Possessing the ability to work 24/7 and adapt to harsh environments such as night, rain, snow, haze, and dust

3, Products parameter:

Working system	Phased array system (azimuth scanning+elevation scanning)/pulse Doppler
Working band	C Band
Range of Radar	1.5km
Effective detection range	100m 1.2km(Ships)
Azimuth coverage	$\geq 90^\circ$
Elevation coverage	$\geq 18^\circ$
Detection speed	0.5m/s 30m/s
Pitch accuracy	$\leq 1.0^\circ$
Distance accuracy	$\leq 8m$
Data rate	$\geq 2Hz$
Data interface	RJ45/1 1CH Ethernet 10/100M port
Input power	$\leq 45W$ (power dissipation) AC200-AC240(input)

Working temperature -40 +55
Weight (N.W) ≤5.5kg

4, Product dimension:

5, After-Sales service

1) We offer 24 hours service after sales

- 2) If there are any usage or quality issues with the product, we provide online technical support to diagnose the cause of the problem.
- 3) Should you find the products unsatisfactory, kindly return it to us within a period of 3 months from the date of dispatch. Upon receipt and inspection, should the products be found to be free from any damage attributable to human factors, a full refund will be granted. Alternatively, we can engage in discussions to amend the product and subsequently reship the product to you.
- 4) This PI is applicable to the DDP shipping agreement.

6,Buesiness Partner

Afreican Parks Counter-UAV Strategic Partnership

Park Manager or Delegated Manager	Procurement Officer/Po	Finance Manager/Controller
Habteyesus Mathewos TADESSE	Chantal KABIBAHOU	Virgile HOUNGBEDJI
		
Suspicious behavior? Send an anonymous message to afri@parks.com		

7, Certification Certificate

The product has obtained dual certification from the Ministry of Public Security and the National Security Center, and is capable of adapting to various severe incidents, possessing military-grade quality.

8, Paking and Delivery

Supports various logistics methods including shipping, air freight, water transport, and express delivery, covering logistics in 90% of the global regions.

CUSTOMER SERVICE

- * Fast and patient communication: professional sales reply immediately
- * Fast delivery: usually 2-7 days
- * Flexible Safe shipping: fast by air or sea with cheap freight
- * Customer-friendly: complete user manual and exact video training provided
- * After sales service: one year warranty and life time technical support
